Tournament Memo – 2-Man Scramble Format

Please note the following guidelines for the tournament:

The tournament will be played in a 2-man scramble format with an 8:00 AM shotgun start (both courses). To help keep the competition fair, teams must be within 8 strokes of each other. If a team exceeds that difference, adjustments will be made.

We will be utilizing two courses for the tournament to help with pace of play and overall tournament flow. Our goal is to avoid slow play and 6-hour rounds so that all participants can enjoy a smooth and well-organized event.

To further support pace of play, a maximum score per hole will be enforced. Waterchase (lower handicap flights) will play to a double bogey maximum, while Riverside (higher handicap flights) will play to a double par maximum.

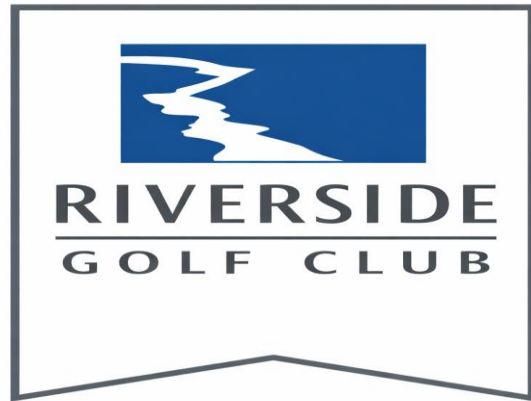

The women's flight will be played at Riverside and will include its own wagering and skins. A minimum of 10 teams is required. Women's teams will compete within their own flight.

These guidelines are intended to keep the tournament competitive, efficient, and enjoyable for everyone involved.
